DS2GSA-2E

Overview

The V7 full motion gas spring mount connects directly to your desktop or table and hold flat panel displays from 10" to 24". This high quality mount allows you to swivel and rotate your display into nearly any position while the self-stabilizing gas spring keeps your image level. The cable management channel keeps video and power cables organized and out of sight. Installation is easy with the clamp or gourmet mounting hardware included.

Specification

V7 Model #	DS2GSA-2E
